

Rolling Cart

Dimensions 31 3/4" w x 20 1/8" h x 15 3/4" d

This rolling cart could be used as a coffee table, TV cart, bedside table or printer cart. Shown here in pre-finished, caramelized, flat-grain bamboo PureBond® veneer core hardwood plywood. *Height dimension calculated without casters.*

Detail of double thickness of two 3/4" panels in sides, middle and bottom shelves. Shown here before edging.

Materials List

- 1 Sheet 3/4" thick 4x8' veneer core hardwood plywood
- 4 Plate Casters rated for 75 lbs or more (such as [Shepherd 2" swivel plate casters](#) available at The Home Depot.)*
- 1 Roll matching edgebanding (such as [BAND-IT iron on wood veneer edgebanding](#) available through special order at The Home Depot.)*
- 1 Bottle wood glue
- Wood screws

* Please follow the installation instructions of the caster and edging manufacturers.

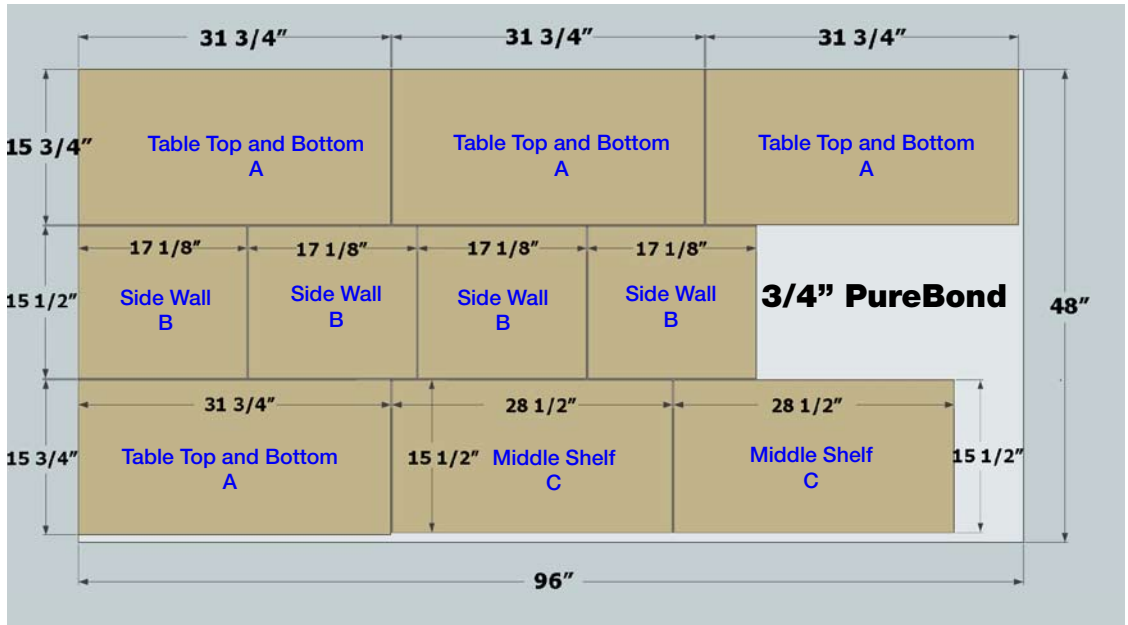

PLEASE READ AND FOLLOW ALL SAFETY PRECAUTIONS NOTED ON PAGE 5.

Columbia Forest Products is North America's largest manufacturer of hardwood plywood and hardwood veneer, a leader in sustainable forestry, and innovator of soy-based formaldehyde-free PureBond® technology.

EASY SPECIAL ORDER*: Stock items are available at most Home Depot stores. Don't see what you need on the shelves? Ask the Associates at the ProDesk for assistance to order **anything** you need: species like Cherry, Walnut, Maple or even exotics. Need a special thickness or an MDF or particleboard core? We can get it for you. **As little as 1 sheet**, shipped right to the store. (Ask the ProDesk Associate for lead times and pricing information.)

*At this time, PureBond® plywood is not stocked or offered through special order in The Home Depot stores in AZ, CO, ID, NM, NV, OR, UT, or WA.

Safety Precautions

- Read all of the instructions and materials list before cutting or assembling this Rolling Cart.
- Improper assembly could result in damage to your property, or serious injuries. Columbia Forest Products is not liable for any damage or injury resulting from the assembly or use of this Rolling Cart.
- Use caution when cutting. Make sure you are using an appropriate saw and blade, and follow all safety instructions provided by the saw manufacturer.
- Make sure that all casters and other hardware you have selected are appropriate for the weight and dimensions of this Rolling Cart and its intended use. If you are unsure about whether specific casters or other hardware are appropriate consult a professional.
- This Rolling Cart is heavy. To avoid injury, two or more people should work together when assembling or moving it.

Disclaimer of Liability and Warranties

The assembly plans for this Rolling Cart are complete and accurate to the best of Columbia Forest Products' knowledge, and are provided free of charge. Columbia Forest Products disclaims any and all liability for injuries or damage resulting from the assembly or use of this Rolling Cart, including any consequential damages. Anyone assembling or using this Rolling Cart does so at their own risk.

Columbia Forest Products makes no warranty of any kind with respect to the assembly or use of this Rolling Cart, and explicitly disclaims any Implied Warranty of Merchantability and/or Implied Warranty of Fitness for a Particular Purpose.

By downloading and/or following these plans, the user acknowledges that he or she has read and followed the Assembly Instructions and Safety Precautions.
