

Print out this form and share it with your cabinet shop when you choose your new cabinetry. A member of the **PureBond Fabricator Network** will already be using PureBond. Find a PFN shop online at: www.cfpwood.com/pfn

The PureBond® Pledge of Assurance

For the homeowner:

(homeowner name)

I, _____, would like to specify family-friendly PureBond hardwood plywood for my new cabinetry. It is a domestically-produced, all-wood alternative that is superior to most composite panel alternatives like Particleboard or MDF. I want long-lasting cabinets with ZERO added formaldehyde.

For the cabinetmaker:

(cabinetmaker rep)

I, _____, as a representative of _____, understand that the homeowner has requested cabinetry made with PureBond formaldehyde-free hardwood plywood. We will make every effort to maximize the use of PureBond products, and will not utilize any urea-formaldehyde panel products or finishes in their construction.
