

COLUMBIA FOREST PRODUCTS' HARDWOOD PLYWOOD SHIPPING MILL LOCATIONS IN NORTH AMERICA:

- Klamath Falls, OR
- Old Fort, NC
- Chatham, VA
- Hearst, ON, Canada

Regional wood products — those products extracted, processed and manufactured within 500 miles of the construction site — may count toward two additional LEED® MR 5 points.

Dashed line circle denotes approximate 500 mile radius. Many conditions apply to qualifying source materials. Contact our LEED AP representatives for help determining the nearest shipping location to your project: info@cfpwood.com
