

HPVA LABORATORIES  
42777 Trade West Drive, Sterling, VA 20166

## Certificate of EPA TSCA Title VI and CARB Compliance

HPVA recognizes the following mill's production as certified to meet all requirements established in EPA TSCA Title VI 40 CFR Part 770 *Formaldehyde Emission Standards for Composite Wood Products* and Section 93120.2, title 17, California Code of Regulations, Final Regulation Order, *Airborne Toxic Control Measure to Reduce Formaldehyde Emissions from Composite Wood Products (ATCM)*. The following products, as defined by the facilities' Quality Control Manual, may now carry the CARB TPC-8 label. This facility has demonstrated conformance and commitment to the quality control procedures and testing requirements necessary to ensure production meets the CARB and TSCA Title VI requirements for the following hardwood plywood products.

### Columbia Forest Products

225 Prince Street  
Hearst, ON P0L 1N0, Canada
